

CONTENT DISCLAIMER

The information available on www.danieladwyerfoundation.org.au is not designed to provide medical advice – it is for general education purposes only. No person or organisation should act based on information provided on www.danieladwyerfoundation.org.au without seeking appropriate further advice.

The Daniela Dwyer Foundation (DDF) attempts to ensure that the websites it administers are current and accurate, and accordingly, details are verified against the U.S. government's primary agency for cancer information, the National Cancer Institute, see www.cancer.gov

Statistics provided are based on Australian incidence and survival rates, sourced from the most recent information from the Australian Institute of Health and Welfare, see www.aihw.gov.au.

DDF makes no representations or warranties as to the accuracy, reliability, completeness or currency of the information contained within the websites it administers, and assumes no liability or responsibility for any errors or omissions in the content DDF provides.

All links and references to websites administered by third parties are provided for the user's convenience only, are accessed at your own risk and may not remain current or be maintained. Unless otherwise stated, the listing of websites administered by third parties on this website should not be taken as an endorsement by DDF of the other websites or their content.
